Notes of Advisory Committee

2004 Amendment

This amendment corrects the Bankruptcy Rules citation to that of the currently used citation. Further, this amendment makes new Local Rule 7005-2 applicable to Contested Matters to the extent permitted under the Federal Rules of Bankruptcy Procedure, these Rules or any Order of the Court.

2000 Amendment

This is a technical amendment. No change in substance is contemplated. The amendment was effective on December 1, 2000.

1997 Amendment

This amendment conforms the existing Local Rules to the uniform numbering system prescribed by the Judicial Conference of the United States and to the model system suggested and approved by the Advisory Committee on Bankruptcy Rules of the Judicial Conference's Committee on Rules of Practice and Procedure. In renumbering the Local Rules to conform to the uniform numbering system, no change in substance is intended. This amendment was effective on April 15, 1997.

This rule is new. It is needed to eliminate an ambiguity as to the service and proof of service requirements for papers in contested matters that would otherwise be created in the renumbering process.
